A Time for Joy

If you celebrate Christmas, we hope it's full of good cheer, merry and bright.

If you celebrate Hanukkah, may the light of the menorah bring light to your life.

If you celebrate Kwanzaa, may the seven principles guide you to joy.

If you celebrate New Years, warm wishes for the year ahead.

We at the History Center send our best to you, wherever you may be. We hope everyone has a safe, healthy, and happy holidays. We are as excited as you are for 2020 to be history, and we have high hopes for 2021.

Tomas arrived in San Luis Obispo in 1855 and bought property in the center of the town, where he ran a successful ranch and eventually opened a butcher's shop. The street adjoining his property was named after him. The couple had 15 children!
