## History Center takes steps to respond to Coronavirus

### Dear Friends,

Out of an abundance of caution and keen sense of social responsibility to help "flatten the curve" of Coronavirus spread, the History Center will be **postponing two upcoming events**, the **Arlene Zanchuck Memorial Dance** scheduled for March 28th and the **Spring Fling** scheduled for April 5th.

As neither of these events would be able to guarantee the 6 feet of social distance recommended by experts, we are taking this step to protect our community.

In addition, **the museum will be closed for at least two weeks, through the end of March**. Given the scale and seriousness of the pandemic, we are determined to do our part not to

contribute to the problem.

Internal activities will continue as appropriate, including preparing our new exhibit to open on May 1st. Access to our research room will be by appointment only, email [info@historycenterslo.org](mailto:info@historycenterslo.org) for more information.

We hope that everyone takes the necessary precautions to stay healthy and safe. You can find more information on the [website of the Centers for Disease Control and Prevention](#).

Sincerely,

Thomas Kessler  
Executive Director
